

UK commercial underwriting maven Mandy Hunt joins Wenalyze advisory board

London, 29 May 2024: Mandy Hunt, Chairperson of the CII's Underwriting Community Board, Managing Director - MGAs at The Clear Group, and former Chief Underwriting Officer - Commercial at RSA, has joined the Wenalyze team as an expert advisor.

Over more than 25 years in the general insurance sector, Mandy has proven her versatility, and excelled as a professional who delivers superior results. Her extensive experience in senior underwriting management roles, alongside her in-depth market knowledge, are an enormous asset to Wenalyze, and will benefit clients directly. Mandy will bolster the firm's core commitment to deliver high-value, responsive data quality and processing tools to commercial insurers.

Mandy says: "Wenalyze stands out as one of the most promising insurTechs. A strong client base of mainstream insurers now deploys innovative Wenalyze technologies to grow their book and increase their bottom line. I am excited to accompany Wenalyze on its way, and to deliver support as it consolidates its market-leading position."

Wenalyze COO & Co-Founder Roger Ferrandis says: "We are privileged to have Mandy on board, and are convinced that her fresh ideas and professional support will be invaluable as we drive forward our service to clients. Her unparalleled expertise in the UK general insurance market and her finely tuned skills perfectly complement our existing range of talent, and will help us to improve underwriting outcomes for insurance companies across the UK and beyond."

About Wenalyze

Spain's Wenalyze enables commercial insurance risk carriers to automate underwriting processes and improve data quality to reduce premium leakage and increase GWP. Its mission is to implement powerful technology that helps insurers, banks, and other financial institutions know their SME customers even better. The insurTech has offices in Spain and the UK, and representation elsewhere in Europe.
